PROFESSIONAL HISTORY

Class Projects

Aug 2025 – Dec 2025

Sam Houston State University | Huntsville, TX

- Collaborated in a team environment to design and code a website for a Thai massage business using HTML and CSS, reinventing the company's official site to improve user experience and attract new customers
- Developed a SQL-based database system for the same business to store, manipulate, and analyze customer and operational data across two locations

Multi Property Management

Feb 2025 – Oct 2025

Independent Contractor | Huntsville, TX

- Dedicated property manager with a proven ability to build strong tenant relationships, handle maintenance concerns promptly, and ensure all work meets quality and safety standards
- Supervised property improvement projects, including landscaping and interior/exterior maintenance, ensuring cost efficiency and timely completion

Server / Line Cook

May 2023 – Aug 2025

Via 313 | Cedar Park, TX

- Delivered exceptional customer service while maintaining in-depth product knowledge to support sales performance
- Executed high-volume food preparation with a strong focus on quality, consistency, and speed

Event Technician

Sept 2022 – Dec 2022

Laney Event Rental | Richardson, TX

- Coordinated loading and unloading of event rental equipment across the Dallas area
- Improved operational productivity, increasing repeat customer rates
